

# THE MINING SUMMARY

## WHAT'S NEW IN COLLECTING

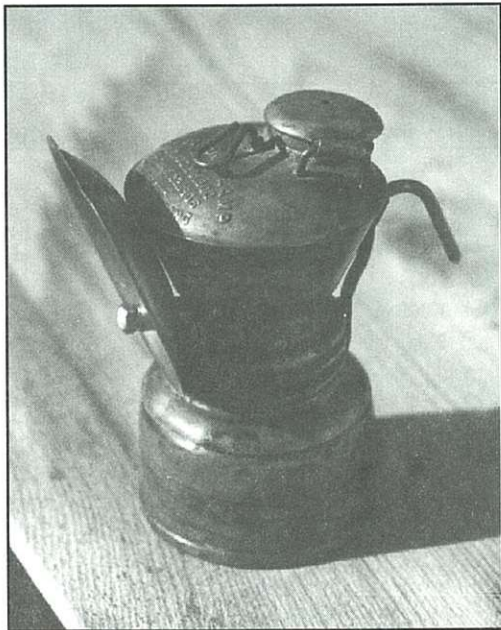

*I.T.P. (It's Trouble Proof) Lamp Tag - 1.25" x 2.75"*

### I.T.P. — It's Trouble Proof

Found in the Calico Mining District of Southern California.

Advertising message comes straight from the carbide lamp.

*Baldwin Lamp with tilt reflector. Submitted by Deric English.*

*This January Errol Christman displayed his latest lamp collection of structurally challenged cap lamps. It seems that a fellow collector decided to reduce the amount of lamps by crushing as many as possible thus increasing the uniqueness and value remaining lamps.*
